Seed logins

Role	Email	Password
Administrator	admin@qmis.edu	admin123
Super Admin	(campus seed if present)	—
HR	hr@qmis.edu	hr12345
PRM	prm@qmis.edu	prm12345
Account Head	accounthead@qmis.edu	accounts123
Principal	principal@qmis.edu	principal123
Director	director@qmis.edu	director123
Coordinator	coordinator@qmis.edu	coord123
Teacher	teacher@qmis.edu	teacher123
Parent	created at Enroll	set at Enroll
New staff after Offer Accept	candidate email	**temp password** shown to HR + queued email demo

Pass rule: save → hard refresh (F5) → next role must see the effect.

Passwords / email: Campus demo queues mail locally (`QUEUED_LOCAL`) — not live SMTP unless configured. HR always sees the **one-time temporary password** in the toast / profile modal. Employee must **change password on first login**.

Quick pass criteria

Pass = HTTP 200 from campus API, data survives hard refresh, and the next role in the hierarchy can observe the change. Biometric live device import and ProTrack Open API enablement are external to this guide.
