Queen Mira International School

ERP Demo — Login & Module Step Guide

Five demo roles: Admin · HR · Teacher · PRM · Principal

Local demo only — not for production

How to start

• Start backend: `cd backend` then `python -m uvicorn app.main:app --reload --host 127.0.0.1 --port 8000`

• Start frontend: `npm run dev` → open `http://localhost:5173/signin`

• On the login page, open **Demo test logins**, click a role (fills email/password), then press **Login**.

• After login, use the **left sidebar**. Expand groups to open each module.

Demo login credentials

Role	Email	Password
Admin	admin@qmis.edu	admin123
HR	hr@qmis.edu	hr12345
Teacher	teacher@qmis.edu	teacher123
PRM	prm@qmis.edu	prm12345
Principal	principal@qmis.edu	principal123

Tip: After Approve / Export / Send message, refresh once to confirm the change still shows.

1. Administrator

Login: `admin@qmis.edu` / `admin123`

Admissions

1. Open **Admissions** → **Admission Enquiry** — review enquiry list; open one row.
2. Open **Admission List** — check enrolled/admission records; try **Export** if shown.

User Database

1. Open **Student Database** — browse students; open a profile.
2. Open **Employee Database** — browse staff list.

Class Details

1. Open **Class Details** — review classes/sections and class teachers.

Attendance

1. Open **Attendance** → **Students** — switch tabs (date / class / student / subject).
2. Open **Attendance** → **Employees** — review employee attendance views.

Activities

1. Open Cultural / Sports / Chess Result / Competitions lists — browse and Export if available.

Documents

1. Open Student Documents and Employee Documents — check Pending / Verified status.

Task Management

1. Open **Assign Tasks** — create or open a task.
2. Open **Assigned Tasks** — update status where allowed.

Leave Request

1. Open **Received Leave Requests** — Approve or Reject one pending leave (if any).
2. Optionally open **My Leave Requests** for your own leave.

TC Request Approval

1. Open **TC Request Approval** — open a request and Approve / Reject (Admin can; Principal cannot).

Announcement / Communication / Calendar / Notifications

1. Create or view an announcement.
2. Open Communication Inbox — send a short message (e.g. to Teacher).
3. Check Calendar events and Notifications after actions.

Escalation & RBAC

1. Open Escalation Management list.
2. Open RBAC → User Creation / Roles — review carefully before changing anything.

2. HR

Login: `hr@qmis.edu` / `hr12345`

Dashboard

1. Open **Dashboard** — review workforce cards, recruitment pipeline, payroll snapshot.
2. Use academic year / department / month filters if shown, then Refresh.

Staff Management

1. Open **Employees** — search/filter; click **Add Employee** for a demo staff (joining date + designation).
2. Note: after save, a temporary password may appear in a toast — share offline; email shows as DEMO_SENT.
3. Open the new employee profile; try **Export** on the list.
4. Open **Employee Documents** — use Verify where status is Pending.

Recruitment

1. Job Openings → add/view openings.
2. Candidates → add/view; Export if needed.
3. Interviews / Interview Feedback → schedule or review feedback.

Onboarding

1. Walk Offer Letters → Appointment → New Joiners → Observations → Shadow Mentor → Checklist.
2. Complete one checklist item if editable.

Attendance & Leave

1. Open **Attendance** — change one status (e.g. Late → Present); refresh to confirm it sticks.
2. Leave Management / Policies — review balances and policies.
3. Staff Leave Requests — Approve / Reject pending items.

Training / Performance / Payroll

1. Training Schedule / Records / Feedback — browse lists.
2. Performance Review / Comparison / BSC / Increment — open each list.
3. Payroll: Salary Statement, Payslip, Advance, CTC, Referral, Child Concession, Claims.

Disciplinary / Exit / Reports / Notifications

1. Open Disciplinary Action and Exit Formalities — view or add a demo record.
2. Reports → Export a report type.
3. Notifications and Announcements — confirm recent HR activity.

3. Teacher

Login: `teacher@qmis.edu` / `teacher123`

Dashboard

1. Open **Dashboard** — check today's overview and shortcuts.

Attendance

1. Open **Class Attendance** — mark / review class attendance; try **Export**.
2. Open Biometric Attendance (demo view) and **My Attendance** under My Profile.

Class

1. Class Timetable — view periods.
2. Lesson Plan / Lesson Plan Approval — submit or view plans.
3. Extended Class / Online Class — browse scheduled sessions; Export if shown.

Student

1. Students List / Parents List — open a student or parent row.
2. CA / RCT (Unit Tests) — view or add a unit test record.
3. Exam / Mark Entry / Performance Analytics — enter or review marks where available.
4. Question Bank / Home Fun / Study Materials — add or browse deliverables.
5. Star of the Month / Year — review ratings matrix.

Tasks / Leave / Library

1. Task Management — update My Tasks status.
2. My Leave Requests — apply leave; Received Leave Requests — act if you are an approver.
3. Books Borrowed — view borrowed books list.

Shared modules

1. Announcement, Communication Inbox, Calendar, Notifications, Escalation Management — same pattern as Admin.

Note: Some Teacher academic screens still use browser localStorage for demo data (unit tests, deliverables, marks). Shared campus SoT will move to API later.

4. PRM (Front Office)

Login: `prm@qmis.edu` / `prm12345`

Admissions

1. Open **Admission Enquiry** — add or view an enquiry.
2. Open **Admission List** — review admissions; Export if shown.

User Database

1. Student Database and Teacher Database — browse directories.

Student movement

1. Student Transfer — create/view transfer requests.
2. Student Re-Enrollment — process or view re-enrollment.
3. TC Request — create/view TC; Admin later approves on TC Approval.

Gate Pass

1. Student Gate Pass / Hostel Gate Pass / Material Gate Pass / Goods Received Pass — create one demo pass; list & Export.

Tasks / Leave / Attendance

1. Assign Tasks and My Tasks — assign and update.
2. My Leave / Received Leave — apply or approve as applicable.
3. My Attendance — view personal attendance.

Shared modules

1. Announcement, Communication, Calendar, Notifications, Escalation Management.

5. Principal

Login: `principal@qmis.edu` / `principal123`

Task Management

1. Assign Tasks — assign campus tasks.
2. My Tasks — update your own tasks.

Star Ratings

1. Star of the Month / Star of the Year — review and Export ratings.

Timetables & allocation

1. Examination Timetable and Class Timetable — browse schedules.
2. Teacher Allocation — review/update allocations (demo may be browser-local).
3. Student Allocation Approval — approve pending allocations.
4. Extended Class — review extra classes.

User Database / Home Fun

1. Student Database and Employee Database — campus directories.
2. Student Home Fun / Teacher Home Fun — LMS deliverable views.

Leave / Attendance / Shared

1. Received Leave Requests — Approve / Reject.
2. My Attendance, Announcement, Communication, Calendar, Notifications, Escalation.

RBAC note: Principal cannot create HR staff or approve TC list APIs (403). Use Admin for TC approval and HR for staff create.

End of guide — QMIS School ERP local demo. Keep passwords only on trusted demo machines.
